This Kenmore 30" S/C Convection Smooth top Slide-In Range is created to make your life a littler easier, add a minute to the oven timer in the middle of a cycle without resetting and the slow cook option may be used to cook foods more slowly at lower temperatures and provides cooking results the same as a slow cooker or crockpot.W- 2242543

Stainless Overlay on Stainless

Rear Filler Kit Included to fill the gap of an existing cut-out for a free-standing range

The Warm & Hold feature operates within the oven, maintaining 170°F temperature for up to three hours

Kenmore's largest oven window allows for easy viewing of food being cooked

Oven handle racks are designed to fit an oven mitt allowing the racks to be safely and easily slid in and out

Keep foods ready until you are. This convenient drawer ensures every bite makes it to the table fresh and hot – no matter what time the family sits down to eat. Plus, it's great for people who do a lot of entertaining
